FREDERICK, MD, October 23, 2019— Classic Albums Live returns to the Weinberg Center for the Arts, Saturday, November 23, 2019 with their note-for-note, cut-for-cut recreation of [The Doors](#) [L. A. Woman](#).

Classic Albums Live takes classic albums from the '60s and '70s, and recreates those albums live on stage, note-for-note, cut-for-cut. "L.A. Woman" was the sixth and final studio album by American rock band, The Doors. Just three months after it was released, in the summer of 1971, lead singer Jim Morrison died. The collection of music leans heavily toward the band's blues rock roots. Fans are treated to an exact replication of the album followed by a second set of the The Doors' greatest hits.
